Zero New HIV Infections. Zero Discrimination. Zero AIDS-Related Deaths.
Implement the ILO Recommendation on HIV and AIDS (No. 200)

“ HIV has not changed my determination or ability to work. I am still the same person. Like all young people I need a secure job, free from discrimination. **Young women** like me **need to feel safe at work.** Getting to Zero at Work is so critical for the youth. ”

Helena Nangombe (Namibia)

Member of the International Community of Women Living with HIV/AIDS (ICW) and the Advisory Group of the Global Coalition on Women and AIDS (GCWA)
